Los Angeles, California 90013

Subject: Addendum to the Preliminary Data Package for the Installation of Gage
Aquifer and C-Sand Monitoring Wells, Former C-6 Facility, Los Angeles,
California

Dear Ms. Townsend:

Attached please find a map showing the proposed locations of two additional Gage Aquifer monitoring wells (MWG003 and MWG004) at Boeing Realty Corporation's (BRC) Former C-6 Facility in Los Angeles, California. This map is being submitted on behalf of BRC per the *Preliminary Data Package for the Installation of Gage Aquifer and C-Sand Monitoring Wells* (Data Package) prepared by Haley & Aldrich on 9 June 2005. As stated in the Data Package, the work will be performed per the methodologies and procedures outlined in the approved *Work Plan Groundwater Monitoring Well Installation* prepared by Rubicon Engineering on 9 March 2005 and approved by the California Regional Water Quality Control Board - Los Angeles Region on 22 March 2005.

If you have any questions regarding this Addendum, please contact one of the undersigned at (619) 280-9210.

Sincerely yours,
HALEY & ALDRICH, INC.
